

Here at **Forder Lane House** we pride ourselves on doing things differently. Yes, we provide excellent care backed by our Quality Assurance Programme. Yes we maintain independence, respect and dignity for our residents. We also provide good wholesome meals, we welcome visitors at all times and provide refreshments for them. We have a host of events and activities for those residents who wish to take part.

Our greatest strength is our size, or lack of it! With just 14 rooms you can be assured that personal services will be delivered in accordance with your needs and expectations. You will soon become 'one of the family'. Set in the beautiful village of Dartington, with facilities like the Village Pub, Post Office and Village Shop, Garage and the Cider Press Centre, Forder Lane House is in a peaceful setting, complemented by our retirement bungalows at Brimhay.

Owned and operated by Dartington Housing Association, a not-for-profit organisation, established in 1958. We now have a new Day Services Centre and, using the same philosophy of providing services

according to individual needs and expectations, you can expect to be stimulated. We treat everyone as an individual and work with you to maximise your potential. Here are a few things that our clients have been doing: landscape painting, knitting, making ornamental flowers. Of course there is bingo, and our quiz and exercise classes remain very popular as does our Tai Chi.

So if you are looking for quality care for yourself or your loved one, you can be confident that Forder Lane is one of the best. You can find out what our regulators (the Commission for Social Care Inspection) say about us at www.csci.org.uk.
